

# 4 Pillars®

Canada's Debt Relief Specialists

## LegalLine Testimonial

Since our short time working with [Legalline.ca](http://Legalline.ca) we have seen a very noticeable increase in web traffic to [www.4pillars.ca](http://www.4pillars.ca) and more reviews being read at [4 Pillars TrustPilot](http://4 Pillars TrustPilot). More importantly, Legal Line has allowed us to build a very robust Q & A section on our website by linking to the thousands of professionally written legal answers.

Legal Line has been an excellent additional resource for our clients and visitors to our website looking for more information. The debt industry can be very confusing for vulnerable debtors. Legal Line helps them understand their legal rights as a debtor and the legal duties each company has making the process easy to navigate.

Ian has been excellent to work with and has gone above and beyond to make the partnership between Legalline and 4 Pillars maximize every opportunity for growth. Ian is very responsive to the needs of our business and a pleasure to work with.

Sincerely,

Reg Rocha
