To Whom It May Concern:

Blue J Legal is thrilled to partner with Legal Line. Our company was built with the core mission of making the law more transparent and accessible, which closely aligns with the great public service Legal Line has been providing to millions of Canadians for years.

The road to establishing this partnership was smooth and constructive; at every turn, Ian was strategic and meticulous, working diligently to ensure our message is being communicated in the most impactful way.

I highly recommend partnering with Legal Line and I'm excited for the business benefits we expect to gain from this partnership.

Sincerely,
Michael Rodgers, Director of Marketing, Blue J Legal
